**Mandeville Auditorium**

**♿ = Handicap Accessible Parking**

**THEATRE DISTRICT**

**CARTA PUBLIC SYMPOSIUM**  
**“Implications of Anthropogeny for Medicine and Health”**  
**Friday, October 14, 2016 • 1:00-5:30 p.m.**  
**UC San Diego campus • Mandeville Auditorium**

**Directions and Parking Information**

**Directions for drop-off at Mandeville Center/Auditorium (no parking available here)**

- From Interstate 5, take the La Jolla Village Drive exit and go west.
  - Turn right at the light at Villa La Jolla Dr., go up the hill, past the VA Hospital (on your right) and turn left at Gilman Drive.
- or
- Take the Gilman Drive exit onto campus.
- From Gilman Drive, turn north onto Mandeville Lane.
- Follow the circular driveway to your left, which will lead you to the Mandeville Center/Auditorium north entrance.

**If using UBER for drop-off and/or pick-up:** Use **“Mandeville Auditorium”** as your destination/pick-up location.

**Directions to the Gilman Parking Structure**

- From Interstate 5, exit at La Jolla Village Drive and go west.
- Turn right at the light at Villa La Jolla Drive, go up the hill and past the VA Hospital (on your right).
- The Gilman Parking Structure will be straight ahead.

If using Google Maps:

-To find the auditorium (for drop-off only), use **“Mandeville Auditorium”** as your destination/pick-up location.

-For parking, you can use **“Gilman Parking Structure,” “Hopkins Parking Structure,”** or **“Pangea Parking Structure”** as destinations.

**Parking**

CARTA has arranged for a limited number of **RESERVED/FREE** parking spaces for this event in the **Gilman Parking Structure** with signs that say **“CARTA Symposium.”** They will be located on the lowest levels. If parking in one of these **RESERVED/FREE** spaces, do NOT purchase and display a paid Visitor permit, which could result in a parking violation ticket.

Once the **“CARTA Symposium” RESERVED/FREE** spaces are filled, attendees will need to find other Visitor (paid) spaces, either in the Gilman Structure or elsewhere.

**Visitor (V) permit rates:** \$2/hour; \$20/day

Pay stations do not dispense change. Pay with any combination of the following:

- Cash — \$1 and \$5 bills only
- Visa, MasterCard, or American Express

We cannot guarantee that you will find a Visitor (V) parking space, so before you commit to purchasing a visitor permit, it is recommended that you find a space first.

The **Hopkins Parking Structure** and the **Pangea Parking Structure**, on the north end of campus, are your next best options for finding visitor parking. (See map.)

**Hopkins Parking Structure:** Entrance, Visitor (V) spaces, and Pay Station are located on the top level (Level 7). This is approximately .5 miles from Mandeville Auditorium.

**Pangea Parking Structure:** Entrance, Visitor (V) spaces, and Pay Station are located on the top level (Level 6). This is approximately .6 miles from Mandeville Auditorium.

**Be sure to read the signs wherever you end up parking to make sure that you are in compliance. The rules posted in each location or on a printed purchased parking permit supersede the general overview that CARTA provides.**

### **Parking with Disabled Person Plates or Placards**

If you have a Disabled Person (DP) placard or license plates, you can park in the following spaces without a UC San Diego parking permit:

- Handicap-accessible spaces designated by the wheelchair symbol, found in every UC San Diego parking lot.
- Metered spaces (no fee required)
- Spaces marked S, B or A (see below for exception)

Disabled placards or plates alone are not valid in the following:

- Spaces posted "A Permit required 7 days a week/ 24 hours a day"
- Spaces marked "Reserved"
- Areas painted with crosshatching or marked "No Parking"
- Areas that are not designated parking spaces
- Red curb, fire lane or yellow commercial zones (unless license plate allows)
- Timed loading zones, beyond the specified time

Before arriving at UC San Diego, view the campus parking map to locate accessible spaces and allow for extra time for this process.

### **Public Transportation:**

A number of bus routes, for both San Diego MTS and North County Transit District (NCTD) stop at UCSD's **Gilman Transit Center** [Routes 30, 41, 150, 201, 202, 237, and 921]. San Diego MTS has an online [Trip Planner](#) that can help you plan a route.

### **Helpful Hints**

Parking can be a challenge at UCSD. We cannot guarantee parking in any one particular parking location. Please allow yourself plenty of extra time to find parking, which can be ~0.25 to ~0.6 miles away from Mandeville Auditorium. We anticipate the **RESERVED/FREE** spaces in the Gilman Parking Structure filling up quickly, but you might be able to find other Visitor (V)/paid spaces available there. Hopkins Parking Structure would be the next closest walk to the auditorium (~0.5 mile), followed by Pangea Parking Structure (~0.6 mile).

### **Courtesy Transportation form Gilman Parking Structure**

CARTA will provide courtesy transportation (with a small van doing trips as needed) from the Gilman Structure to Mandeville Auditorium between 12:00-1:00 p.m. The pick-up location will be on Russell Lane, across the street from the structure. Look for a sign with "**CARTA Shuttle.**" The van will have a sign in the window with "**CARTA-Mandeville shuttle.**"

CARTA will also provide return trips from Mandeville Auditorium to the Gilman Parking Structure between ~4:30-5:45, every 10 minutes or so, as needed. The pick-up location will be close to the north entrance of Mandeville Auditorium. Look for a sign with "**CARTA Shuttle.**" The van will have a sign in the window with "**CARTA-Gilman Shuttle.**"
